

Internship Opportunities at **Brukner Nature Center**

Brukner Nature Center is a privately-funded, nonprofit organization promoting the appreciation and understanding of wildlife conservation through education, preservation, and rehabilitation.

We are known for our vision of wildlife conservation through environmental education, providing unforgettable wildlife encounters to educate, inspire and encourage outdoor exploration.

Internship Opportunities Include:

- Hands-on experience in education programs—both on site and in schools!
- Learn to handle Brukner Nature Center's Wildlife Ambassadors including native Ohio amphibians, reptiles, birds, & mammals!
- Provide daily routine care to BNC's Wildlife Ambassadors.
- Administer care to injured and orphaned wildlife.
- Network with other wildlife rehabilitators in the area.
- Encourage professional growth and development.
- Develop skills in land stewardship and non-profit administration.
- Housing and a \$500/month stipend are available.

Qualifications:

- 6 month commitment (full-time only) January–June OR July–December. Required to work 40+ hours a week with 5 days on and 2 days off.
- Concern for wildlife and wild places.
- Desire to teach public about wildlife conservation.
- Weekend and evening availability.
- No previous experience is necessary, but a willingness to learn is a must.

Deadlines:

- March 1st for July–December/October 1st for January–June.

If you have any questions, or would like to become an intern, please email a cover letter and resume to Becky Crow at wildlife@bruknernaturecenter.com.
