

Interested in volunteering?

Are you in grades 7th – 12th?

Well Brookner Nature Center's "**BUGS**" is right for you!!!!

"**B**rookner's **U**nique **G**ang of **S**cientists" allows dedicated, hard-working and knowledge-hungry youth an opportunity to get "hands-on" experience in the nature field.

Please check any of the three areas below in which you are interested in volunteering:

- Permanent Resident Animals - daily feeding and cleaning of Permanent Resident Animals.
- "Helping Hand" - help out with Educational Programs.
- Rehabilitation Unit - daily cleaning at Wildlife Rehab Unit.

Junior Volunteer orientation is held on as need basis & will be determined by the Curator of Wildlife. Our next orientation is scheduled for _____. Please call to register or with additional questions. This form and a guardian are all you need to bring with you!

Thanks for your interest in "BUGS". Looking forward to meeting you and your guardians!

Becky Crow

Curator of Wildlife
