

# Summer Day Camps at Brukner Nature Center

for Kids entering Grades K-5th

## “Good Grub”

June 19 – 23

With the variety of wildlife roaming the woodlands, meadows, ponds of Brukner Nature Center, these herbivores, carnivores, and omnivores have differing adaptations to best help them with finding, catching, and consuming their foods. Join us as we meet and observe many native Ohio wildlife and learn how various adaptations such as different shaped teeth, heightened senses, or even eye placement can help make each best suited to finding food within their niche.

## “Home Sweet Habitat”

July 10 – 14

What better way to enjoy the summer than to explore all of the different habitats we have here at Brukner Nature Center? We'll learn why some animals are better adapted at living in certain places, what they are able to eat depending on where they live, and how all of these habitats fit together to make one big amazing world! *(includes a wildlife field guide!)*

## “Wednesdays with Wildlife”

...a junior naturalist adventure!

every Wednesday in July 9:00 - 12:00pm

*(Sign up for 1 day or all 4...your choice!)*

July 5th- “In the Field”

July 12th- “Watching The Wild Woods”

July 19th- “Micro vs. Macrohabitats”

July 26th- “River Float”

Help push through the mid-summer blahs by joining us during our fourth year of “Wednesdays with Wildlife”. Each week will provide the campers a variety of methods for interacting with nature, meet several wildlife ambassadors, and play games to help better understand the amazing world around us! Payment and registration due the Monday prior to the program. Cash or check only.

**Fee:** \$20 for BNC Members/per Wednesday  
\$25 for non-members/per Wednesday

## Summer PEEP Sessions

Registration opens Sunday, April 30, 12:30pm

Imagine a place where you can flutter from milkweed to milkweed like a butterfly! Buzz like a bee and help pollinate flowers! It's not necessary to only imagine, but to actually become a part of such place. Sign up your 3-5 year old preschooler for the summer sessions of PEEP. Each week is filled with discoveries as we share stories, encounter wildlife and explore the outdoors. These two six-week sessions are offered Tuesday, Wednesday, Thursday or Friday mornings from 9:30 - 11:30am. The fee for this program is \$45 for BNC Members and \$60 for non-members/session. Sessions run May 30-July 7 and July 18-August 25. Class size is limited to 12 children! Payment is due with registration, cash or check only.
