Live! Animal Talks

Our most requested outreach program!

Enjoy the excitement your students will feel as they meet our Wildlife Ambassadors up close and personal!

Brokner Nature Center has over 50 Wildlife Ambassadors, or permanent animal residents that range from a red-tailed hawk to a spotted salamander. Bringing live animals to your school gives students a greater appreciation for Ohio wildlife and the diverse habitats Ohio has to offer. Examine lots of hands-on props like furs, skulls, skins and skeletons! Educators will bring 3 - 4 wildlife animals and will include a mammal, bird, reptile and/or amphibian.
