

Birthday Parties at Brukner Nature Center

Come celebrate your preschool or school-aged child's birthday with their friends and our Wildlife Ambassadors!

Wildlife

Encounter: Every BNC Birthday Party features a private Wildlife Encounter with 3 of our amazing Wildlife Ambassadors held in the really cool Discovery Room for a maximum of 20 participants, including children & adults.

Room

Specifics: BNC Birthday Parties are held in the Bug Box, a private room located on the lower level of the Interpretive Building, accessible by elevator. You may arrive 30 minutes before your scheduled 2-hour party. Please serve only cake, ice cream and drinks. The Bug Box must be swept, cleaned and returned to its original condition at the end of the party. Food & party items must be sorted into: compost (make a worm happy!), reusables and recyclables (we'll provide buckets and take care of these for you!) and non recyclable trash (which must be taken to the dumpster in our parking lot using trash bags renter provides). *Can you pull off a trash-free party?*

Rules to

Consider: Decorations can be hung in the Bug Box using blue painters tape only. No pinatas, noise makers or balloon popping allowed - they scare our wildlife! Indoor games may be played in the Bug Box only. We encourage you to take the kids outside to enjoy the trails and wildlife but please no running or shouting by the outdoor enclosures. We also encourage you to explore the Bird and Mammal Rooms but be sure to use inside voices and no tapping on the glass. An adult will need to be present at all times – they wouldn't want to miss the fun!

Cost:

\$50 for BNC Members - \$75 for non-members
Payment is due 1 week prior to birthday party
WE CAN ONLY ACCEPT CASH OR CHECKS

Gift Ideas that help support our mission

We can provide your individualized party **goodie bags** filled with items from our Nature Shop for as low as \$1.50 per child! For a fun gift alternative for the birthday child, consider our **Adopt-a-Book** program and have your child's name in the cover of a new book for our Kid's Nature Library. Or for as little as \$25, your child could receive a special certificate featuring one of our wildlife ambassadors through our **Adopt an Animal** program!
